1 The recommendations are in the order of seniority where there are no adverse reports except in three cases which have been specially noticed.

Mr S. Sankara Rao has been reduced to No 82 we do not know for what case the confidential report about him does not been very satisfactory. So it is not clear why he has been recommended for the accelerated carrying 100 Rs. Would it make sufficient if he is promoted to 90

2 Messrs Hugh Hamilton and Narayanaswamy who would ordinarily get 100 Rs have been recommended for 125 Rs in supersession of not only cases where work is unsatisfactory but also of cases as in which case the work is just satisfactory. In the usual course Messrs Parameswara Rao & K. S. Raghavachari would be promoted but the reports in their favour are not very satisfactory.

Continuation sheet

--3--

The work of serial No. 3 (vide para 1 above) has been uniformly satisfactory in contrast with that of Mr. E.C.Varadarajan while that of serial Nos. 4 and 5 has been found to be exceptionally good calling for special recognition. Serial No. 6 has been promoted to the II grade quite recently, his confirmation therein having now been recommended. I therefore think that it will be too soon to think of his further promotion to the I grade now. Nos (2) to (4), (6) to (11) and (15) have as per the present proposals been recommended for promotion to the II grade and they have to earn further promotions to the I grade in the usual course by continuous good work. The work of No. (5) is found to be so unsatisfactory that I cannot make up my mind to recommend him for promotion to the II grade at the present juncture. As between (12) and (13), I am of opinion that the former is not fit for being promoted to the II grade in view of the poor quality of his work, while the latter is richly deserving of the promotion to the II grade now recommended, as his performance as a Ranger is thoroughly satisfactory and deserving of some preferential treatment. I therefore request you to be so good as to obtain and communicate to me, orders of Government approving of the above proposals early.

3. An allocation statement will be drawn up by me in the grades of Rangers and Foresters on the basis of the above recommendations and submitted to Government as called for in para 12 of the G.O. of 20/22-9-1938 referred to in para 1 of this letter.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Conservator of Forests

Sir,

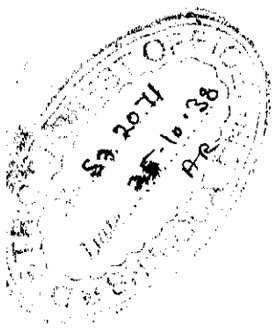
I beg to place the following facts before you, sir, for your kind consideration:-



In the Government Order dated 15th October 1938 granting promotions to certain Rangers to the Rs.125/- and Rs.100/- grades it has been ordered that, in my case, it is enough if I am restored to my original pay of — Rs.90/-.

When I have been urging that my reduction to Rs.82/- is itself undeserved and that I should be restored to my original pay of Rs.90/- from the date of reduction, the present Government Order with-holding my promotion to Rs.100/-, I beg to represent, amounts to a double punishment in asmuch as the Chief Conservator of Forests has ordered that the reduction should hold good for 6 months from 6-4-1937.

According to this order of the Chief Conservator of Forests, I have been restored to Rs.90/- with effect from 6-10-1937. Thus the order of restoration passed by the Government in the Government Order under reference has already been given to me ~~for~~ from over one year prior to the date of the Government Order by the Chief Conservator of Forests himself. As such, I derive absolutely no benefit from this Government Order though the Govt., have been pleased to recognise my claim for promotion.

I, therefore, beg to request this aspect of the case may kindly be brought to the notice of Government and I may kindly be recommended for promotion to Rs.100/- as has already been so kindly done by you.

I beg to remain,
Sir,
Your most obedient servant,
S. Shankara G.

To

Sir,

Adverting to your letter No.G.4050/Ft.2-38-28 dated 2nd/5th November 1938 enquiring how the promotion of Ranger Mr.S.Sankara Rao as second Grade Ranger on Rs100/- from 1st October 1938 could be recommended when the confidential report about his work is not satisfactory and whether the question could not be taken up for consideration after the close of the current official year provided he has shown improvement in his work and requesting that in the meanwhile one of the posts on Rs100/- may be kept vacant, I have the honour to state that since submitting the confidential report regarding the work of the Ranger, the Conservator of Forests, Shimoga Circle, with his letter No.F.248-1060/37 dated 25th October 1938, forwarded for consideration, the representation of the Ranger, at the same time expressing the opinion that in view of the orders reducing him for only six months which period expired a year ago, the negation of the present promotion inflicts on him another punishment of a severe kind as it also means supersession by seven or eight of his juniors.

The Ranger's representation referred to, the Shimoga District Forest Officer's recommendatory memo thereon and a copy of the Conservator's above letter have been forwarded to you with my letter No.E.91-304/38 dated 1st November 1938.

P.T.O.

1534

The Shimoga District Forest Officer's and Conservator's ~~said~~ recommendations (which are before Government) show clearly that since the submission of the Ranger's confidential report by them, he has improved in his work to the extent of deserving, in their opinion, the present promotion.

I am therefore of opinion that the question of his promotion to Rs100/- need not be postponed till after the close of the current official year, as otherwise he would be hard hit in as much as, in the meanwhile, 8 of his juniors (who are already promoted to Rs 100/- and possibly some more juniors who will have to be promoted as second Grade Rangers in the prospective vacancies likely to occur immediately) ~~who are already promoted to Rs100/-~~ will gain places over him, besides his having to forego emoluments at the increased rate till then.

To prevent such a hardship to the Ranger, I recommend that his promotion as second Grade Ranger on Rs100/- may be kindly sanctioned by Government with effect from 1st October 1938.

I have the honour to be,

Sir,

Your most obedient servant,
